On The Lighter Side

A pastor's wife was expecting a baby, so he stood in front of the congregation and asked for a raise. After much discussion, they passed a rule that whenever the pastor's family expanded, so would his paycheck.

After 6 children this started to get expensive and the congregation decided to hold another meeting to discuss the pastor's expanding salary. A great deal of yelling and inner bickering ensued as to how much the pastor's additional children were costing the church, and how much more it could potentially cost.

*After listening to them for about an hour, the pastor rose from his chair and spoke,
"Children are a gift from God,
and we will take as many gifts as he gives us."
Silence fell over the congregation.*

*In the back pew a little old lady struggled to stand ,
and finally said in her frail voice,
"Rain is also a gift from God,
but when we get too much, we wear rubbers."*

The entire congregation said "Amen."
